

Sports Premium April – April 2015/16 review

PE is continuing to be delivered as a partnership between the class teachers, the PE co-ordinator and Mr Light (our sports coach). This allows us to offer continued professional development for all staff, as well as ensuring our pupils receive high quality PE teaching, learning, sport and competition experiences.

Extra-curricular clubs have continued throughout the year for our pupils in school with sessions at dinnertimes and after school. The clubs are available for children from Year 1 to Year 6, although we have trialled an after school club for Reception aged pupils in the summer term, which proved very successful. Many of these clubs run on a rota basis and swap themes and activities to maximise participation across the school. They also link to competition opportunities and other sporting events which are sometimes organised for pupils to participate in.

£6379 our sports premium allocation was spent on a sports coach who delivers quality PE lessons, staff CPD, Extra-curricular clubs after school daily and supports lunch time play through organised games and tournaments.

£1234.00 was also allocated to buy/replace equipment and resources after an audit of need. This amount included replenishing the playground equipment to ensure that the children were active and engaged in activity during playtimes.

Extra-Curricular Provision: Sept 15 – July 16

Activity	Term	Year group	PP or LAC 13/14	PP or LAC 14/15	PP or LAC 15/16
			Total no. of PP children: 130	Total no of PP children: 135	Total no. of PP children: 134
Football Skills Club	Now all year	Year 3 and 4	14	5/26	7/20

Year 5/6 Football Dinnertime League	Summer 2016	Year 6	N/A	14/42	14/26
Total No of pupils attending clubs in the year			33	101 Some pupils attended more than one club	126

13 clubs were available across the year. 368 places were taken by PP children in 15/16.

Of 368 places 34% were filled by PP pupils.

Swimming Provision

£1417 of our Sports Premium allocation was spent on extra instructors to improve ratios

In 2015/2016, 60 pupils attended swimming sessions.

	Week 1 non/very weak swimmers	Week 12 non- swimmers/very weak swimmers
Year 3	21	13

Staff CPD

PE co-ordinator and Sport Coach share up-dated news and developments with staff regularly and have offered training and workshops to all teaching and non-teaching staff to develop their knowledge and confidence in PE and School Sport. Some other staff (both teaching and non-teaching) have been involved in supporting and coaching sporting events and competitions and have developed and improved their knowledge and expertise through this as well. The PE co-ordinator and sports coach have attended CPD and network meetings through Dance Desk.

Competitions

In 2015/16 the school took part in the following competitions:

Sport	Year group competing	Number of pupils attending	Outcome
Football Competition League	Year 5/6	Up to 23 different children played in various matches.	Won all 9 out of 12 matches and came 3 rd in the Wednesbury Primary League at end of the season.
WBA Dome Football Competition	Year 5/6	13	Round robin event. Got through to semi-final, but no further. Finished 3 rd overall.
5 A-side Football Competitions x 2	Year 4 Boys	12	Runner up in one, 4 th out of 6 in the other one.
5 A-side football competitions x 2	Year 5/6 Girls	8	Runners up in one and 3 rd out of 5 teams in the other.

Swimming Gala at Schools Black Country Games (Level 3 Competition)	Year 6	4 boys	Came 3 rd overall out of 11 school teams.

Resources £1234

Lunchtime play equipment and PE resources were purchased and are now in use. New equipment was bought to support and encourage play and competition at playtimes and dinnertimes and equipment was also bought to replace or supplement what we use during PE lessons and extra-curricular clubs.

The above allocation was also used to cover entry costs and provide transport for some children to and from sporting events and competitions.

What's Next:

- To continue to promote and offer extra-curricular clubs –focus on groups of children who have not shown an interest in joining an existing club, by getting the children to suggest ideas/themes for future clubs.
- Key members of staff to share good practice with others, through team teaching, observations, training sessions and colleague co-operation in lessons.
- Re-audit children regarding health awareness and their interests and choices for clubs
- Re-audit staff regarding confidence/knowledge/expertise in delivery of PE
- To continue growing parental involvement in healthy and active lifestyles – a club involving children and parents together. Eg: first aid, games, fun fit and dance etc.
- To continue to develop the assessment procedures for PE so children are given more appropriate next steps and can be part of their own improvement and development in PE.
- To develop role of sports leader with older children, linking it to the Peer Mentor program we already have in place.
- To audit resources available and update/buy new where/when appropriate
- Continue to monitor planning and teaching to ensure high quality teaching and learning is being offered to all pupils.
- To continue our Early Years club aimed at Reception children (Wiggly Weavers), using the balance bikes, games and general fitness activities.
- To forge more links with sports clubs and associations local to Wednesbury and the surrounding area, creating pathways for children to use when they show more interest or talent in a specific sport. We currently work with: Wednesbury Rugby Club, Wood Green Table Tennis Club, Sandwell Flyers and Walsall RFC.
