Complete 3 or more of the tasks below and share with your class teacher – you will earn House Points for your team!

Task	Step by Step	How to achieve success for this task	Extra Challenge	English / Maths Links
History: Tell us about a holiday that you have been on.	Bring in some photos or a souvenir of a holiday that you have been on that you would like to tell the class about.	Talk to the class about your holiday and what you have brought in. What was your favourite memory? Where did you go?	You could prepare a poster about your holiday to help you share your information with the class.	Speaking and listening skills.
Geography: Research your favourite animal.	Can you make a fact file about your favourite animal? Where does it live? What does it eat? What amazing facts are there about this animal?	Make a book, poster or create a piece of writing about your animal.	You could present the facts that you have found to the class.	Non-fiction writing skills
RE: What is a special place for you?	The Gurdwara is a special place for Sikhs. Can you draw or write about a special place for you?	Find a way to share some information about your special place with the class.	You could use you Computing skills to make a presentation about the special place you have chosen.	Presentation skills Sentence writing
Art: Create an Jungle Art piece.	Look at some of the Jungle paintings made by Henri Rousseau. Can you have a go at recreating one?	Try to match the style of the artist to create your picture.	Write a story about the animal in your painting to share with the class.	Writing skills

Science: What is growing in your garden?	Explore the trees and plants growing in your garden. Can you identify what they are?	Draw and label the different plants and trees that you have found in your garden.	Are the trees in your garden evergreen or deciduous?	Presentation skills
