

Year 6	2021-22 Home Learning Grid	Spring Term
--------	-------------------------------	-------------

<p><b>English Key Texts:</b>        Friend or Foe by Michael Morpurgo        Once by Morris Gleitzman        Extracts from Anne Frank's Diary</p>	<p><b>Maths Curriculum:</b>        Your child will be following the White Rose Maths scheme in school.</p>
<p><b>Spellings and Reading:</b>        Reading daily for fluency and understanding can be completed using Oxford Primary levelled books available from school. <i>Reading records will need to be signed by a parent/guardian weekly.</i>        Spellings: see spelling grid.</p>	<p><b>TTRS:</b>        There is an expectation to play for 5 minutes each day; playing daily for just 5 minutes will significantly improve times tables fluency, allow you to earn plenty of coins and earn Rock Hero status!</p>
<p><b>English Key Skills:</b>        To write about personal experiences.        To write from the perspective of others (e.g. a diary entry or letter).        To read a variety of texts independently and with family and friends.        To recall and tell what has been read in your own words.        To practise using a variety of punctuation marks.        To practise neat and joined handwriting.        To edit your own work making improvements.        To identify grammatical features (e.g. nouns, adjectives, adverbs, verbs and tenses).        Use commas correctly to avoid confusion.        Use commas, brackets, dashes for parenthesis, colons and semicolons        To use prefixes and suffixes accurately.</p>	<p><b>Maths Key Skills:</b>        To practise my mental addition, subtraction, multiplication and division.        Recall and use equivalences between simple fractions, decimals and percentages, including in different contexts.        Use simple algebraic formulae        Solve problems involving the calculation and conversion of units of measure, using decimal notation up to 3 decimal places where appropriate.        Measure and calculate the perimeter of 2D shapes and rectilinear figures (including squares) in centimetres and metres.        Calculate volume of cubes and cuboids.        Use multiplication and division facts to calculate ratios.</p>

**Complete 3 or more of the tasks below and share with your class teacher – you will earn House Points for your team!**

Task	Step by Step	How to achieve success for this task	Extra Challenge	English / Maths Links
<p>Research different key World War Two events and place them on a timeline.</p>	<p>Use the internet/books to research different key World War Two events. Complete research around your chosen topic and choose a way to present it. Select the information that is relevant to you. Explain/ describe your findings- you could use pictures and diagrams when presenting your research.</p>	<p>Choose a method for presenting your timeline showing these punishments. It could be as a poster or as a PowerPoint presentation on the computer.</p>	<p>Prepare some information that you would like to share with the class about what you have found out.</p>	<p>Maths – ordering skills. Research skills- using the internet and books.</p>
<p>Write a book review of 'Friend or Foe'</p>	<p>Write or present a book review of 'Friend or Foe'. Include any facts about life for evacuees that you discovered by reading the book.</p> <p>How does the life of David and Tucky compare to Felix from our text 'Once'?</p>	<p>Listen to Friend or Foe on the BBC: <a href="https://www.bbc.co.uk/teach/school-radio/english-ks2-friend-or-foe-michael-morpurgo-index/znb78xs">https://www.bbc.co.uk/teach/school-radio/english-ks2-friend-or-foe-michael-morpurgo-index/znb78xs</a></p> <p>While watching, listen out for clues about what life was like for evacuees. Make notes on this.</p> <p>Write or present a book review. This could be on paper, using powerpoint or you could ask a friend to record you!</p>	<p>Plan a series of questions that you would like to ask an evacuee.</p> <p>Use <a href="http://www.bbc.co.uk/schools/primaryhistory">www.bbc.co.uk/schools/primaryhistory</a></p> <p>Make links between the book and our class text 'Once'.</p>	<p>English speaking and listening skills.</p>

<p>Create a newspaper report on the evacuation of children.</p>	<p>You could present your report in writing, use the computer or create a recording of the newspaper report.</p>	<p>Find out what life was like for evacuees. Research some quotes from children that were evacuated or create your own!</p>	<p>Research kindertransport and make comparisons to the British Government evacuation scheme.</p>	<p>English report writing skills.</p>
<p>Create a game that can help your class practice their times tables.</p>	<p>Look at popular children's board games. Look at their design and how the rules shape the outcome for the players.</p>	<p>A game that uses the maths skills of multiplying up to 12. This could be questions, word problems or even mental maths. The game needs to be able to be played by 2 or more people.</p>	<p>Try your game with a friend or family member, does it work?</p> <p>Are the rules easy to follow or are they complicated – do you need to modify your game?</p>	<p>Place value and multiplication skills. Communication skills in English with speaking and listening – developing rules.</p>
<p>In Science this term, we are learning about Electricity, Forces and Earth and Space.</p>	<p>Research the movement of the moon in relation to the Earth.</p>	<p>Choose a way to present the information that you have found out. This could be:</p> <ul style="list-style-type: none"> <li>•an information book</li> <li>•a poster</li> <li>•a powerpoint</li> <li>•a model</li> </ul>	<p>Include pictures, diagrams and explanations. Find other ways to present your findings.</p>	<p>Communication and presentation skills.</p> <p>Independent research skills.</p>

**What will you be learning about this term:**

	Spring 1	Spring 2
Science	Electricity Forces	Earth and Space
Art		World War Two collage
DT	Create a rationed meal (this activity will take place at Wood Green Academy)	
PE	Tennis	Gymnastics
Music		Music from the Far East
RE	What can we learn from religion about temptation?	What difference does the resurrection make for Christians?
History	World War Two (How did WW2 affect the lives of children?)	
Geography		Global Warming and Climate Change (Are we damaging our world?)
Wellbeing	Online Safety	Dreams and Goals
Modern Foreign Languages		Numbers 60-100 Likes and Dislikes Leisure Time
Computing	Programming - variables in games	Data and information - introduction to spreadsheets
