Partnership Governor Vacancies – July 2019

The Foundation which supported us called the Wednesbury learning Community Trust ceased with effect from 30th June 2019. Old Park Primary is now a Foundation school without a foundation.

Our governing body constitution has been updated to remove the 2 Trust governors. We would like to appoint 2 Partnership governors in their place.

If anyone is interested in becoming a Partnership Governor, please email an expression of interest letter sharing what experience you could bring to the governing body at Old Park.

Please email it to governors@oldparkprimary.com . The closing date is 24th June 2019
